PROFESSIONAL EXPERIENCE

Aramark Distance Dietetic Internship, Fayetteville, North Carolina September 2016-May 2017
Cape Fear Valley Health

- *Clinical Rotation (19 weeks)*: Utilized professional guidelines to provide evidence-based care to patients; performed Nutrition Focused Physical Assessments to identify malnutrition in patients using criteria outlined in the ASPEN/Academy Consensus Statement; collaborated with the interdisciplinary team to develop, implement, and monitor patient care; assumed the responsibility of the Oncology floor during Staff Relief
- *Community Rotation (4 weeks)*: Created, implemented, and evaluated a lesson plan focused on diabetes management; counseled patients in the outpatient setting at a dialysis clinic, diabetes clinic and a health club
- *Management Rotation (10 weeks)*: Developed cultural competency while creating a mock seven day menu highlighting Thai culture; implemented and evaluated a retail marketing strategy; led Pre-Service huddles in the Patient Services department

Florida International University, Miami, Florida January 2015- June 2015
Research Assistant

- Assisted the Registered Dietitian with a research project using a humanoid robot in an after-school program to promote healthy eating habits and physical activity in school-aged children
- Created two nutrition lesson plans concerning “snacking” and “increasing physical activity”
